## DEAR COLLEAGUES,

We are delighted to invite you to the XXVI International Scientific and Practical Online Conference  
**"RENEWABLE ENERGY and ENERGY EFFICIENCY of the XXI CENTURY".**

## PURPOSE OF THE CONFERENCE

The purpose of the Conference is to discuss problems and development prospects of renewables. Among them are electricity production, wide use of bioenergy resources, heat supply systems and utilization of the heat of the Earth by harnessing solar power, wind power and hydropower potential, as well as measures aimed at energy saving and energy efficiency.

## CONFERENCE TOPICS

- Energy efficiency
- Combined hybrid RE systems
- Wind power
- Solar power
- Biomass Energy
- Hydropower
- Geothermal power
- Educational activity
- Hydrogen Energy
- Environmental energy (heat pumps)
- Smart grids

**Ukrainian, Polish and English  
will be official conference languages**

## THESES REQUIREMENTS

The brief outline report (theses) should be submitted in Ukrainian, Polish or English.
